

Peanut Butter and Jelly, A Classic!

Well, our WBU Bark Butter was out there getting lonely, so we brought in it's old pal Jelly. Introducing BirdBerry Jelly for the birds. Just in time for Oriole season, this unique blend of grape and blackberry may also attract robins, cardinals and catbirds. New Birdberry jelly contains no preservatives and no corn sweetener. Why not try both? This month save \$2 when you buy both Bark Butter and BirdBerry jelly together.

Summer Feeding Was Never Easier!

Hello Finches, Good-bye Messy Clean-up

Our Quick-Clean Finch Feeders are designed to make life a little simpler for you. These feeders allow finches to easily dine on thistle, while the removable base makes cleaning a breeze. These feeders are backed by a lifetime guarantee that includes raccoon and squirrel damage. We also offer a variety of accessories including trays and weather guards.

Fundamentally Not for Squirrels

So long squirrels! Our Fundamentals Squirrel-Proof Feeder is weight-sensitive, so when a squirrel gets on the feeder the feeding ports close, denying access to the seed. Birds can use the four perches, or they can cling to the metal shroud to feed.

Bird Food Stackables Add Variety

Our bird food cylinders, including our Seed Cylinders, Suet Cylinders and our Stackables (smaller cylinders that you can mix and match), offer a variety and are easy-to-use. Birds tend to stay at these feeders longer, providing better viewing. WBU Cylinders and Stackables can be offered in our Decorative Seed Cylinder Feeder or Dinner Bell feeder. Each feeder has a roof to help protect your food from inclement weather.

An Oriole Smorgasbord on One Feeder!

Orioles eat many types of food. They crave citrus when they arrive in the spring, eating orange halves and grape jelly. Then they quickly turn to adding nectar to their diet as well. Our feeder offers nectar with several feeding stations, includes jelly wells in the lid and a place for an orange half.

Ready to use natural citrus flavor nectar is also now available.

Feeder Cleaning May 1st

At WBU North Olmsted From 10 am to 3 pm

Discover a Refuge In Your Own Backyard.™

Who's hungry in your backyard?

Most Likely It's Everyone!
Spring is a wonderful time of year to be out in your yard exploring the many possibilities for attracting even more beautiful songbirds. And why not? You deserve it, after having helped to keep them fed all through the snowy winter.

Take a walk around. Are your feeders perhaps just in need of a good scrubbing? Then why not bring them to our annual Feeder Cleaning Event on Saturday May 1st at the North Olmsted store. (10 am to 3 pm). For a \$3 donation to Ziggy's Fund (a non profit dog and cat rescue group) we will rid your feeders of all that winter grime. Strongsville customers can drop off their feeders Friday by 4 pm and they will be returned to the Strongsville store on Sunday.

Perhaps this is the year you treat yourself to a new birdbath or add something new to your offerings. For example a new hummingbird feeder or maybe you want to try those Stackables that everyone is enjoying so much.

Have you had a chance to visit the new North Olmsted location? Our customers are raving about the great new layout and expanded parking.

So much is happening in May that you won't want to be indoors. Look for adult birds to bring their juveniles to the feeders to learn how to eat...watch for Ruby-throated Hummingbirds to be at your nectar feeders and sit back and enjoy the beauty of the birds in your own backyard refuge.

We hope to see you soon!
